The Towne Singers wish to help you Celebrate the Journey through this tumultuous year and season!

Since the success of our virtual holiday concert in December, we have endeavored to "keep the music alive" through Zoom rehearsals and other innovative techniques. Since you cannot again join us for a concert, we assembled another "virtual show". This show repertoire includes new performance of "journey music", and also reprises some of our very best music from recent "in-person" performances.

The show will be available for viewing via YouTube starting on June 5th at 5pm; you can view it at any time after that. To view the show, simply go to www.townesingers.org, and click on the Play Celebrating the Journey button. As in our past season, there is no charge to watch and enjoy!

As you can imagine, the stability of our finances and membership has been impacted by the pandemic situation. If you enjoy the show and would like to help us return to "normalcy" (hopefully soon), please feel welcome to donate via one of the mechanisms identified during the concert.

We are glad to have had the ability to rehearse virtually, in preparation for this show, but we are all very anxious to resume our normal geniality and music, and rejoin our loyal audience in the coming year.

Best Wishes, **Celebrate the Journey**, and stay safe through the Summer!
