The Towne Singers invite you to join us in being Joyful and Triumphant -- we made it through this tumultuous year and season!

Based on the success of our virtual holiday concert in June, we have endeavored to "keep the music alive" through Zoom rehearsals and other innovative techniques. Since an in-person concert was not possible this season, we have assembled another "virtual show." The show repertoire includes new performance of joyful holiday music, and also reprises some of our very best music from recent "in-person" performances.

The show will be available for viewing via YouTube starting on December 11th at 5pm; you can view it at any time after that. Simply go to www.townesingers.org, click on the Joyful & Triumphant image, and then click on the 'Play the concert' button. There is no charge to watch and enjoy!

As you can imagine, the stability of our finances and membership has been impacted by the pandemic situation. If you enjoy the show and would like to help us return to "normalcy" (hopefully soon), please feel welcome to donate via one of the mechanisms identified during the concert.

We all are looking forward to the geniality inherent in preparing great choral music, and to re-connecting with our loyal audience.

Best Wishes, be Joyful & Triumphant, and stay safe through the holidays!
